RE: H 6122 - AN ACT MAKING APPROPRIATIONS FOR THE SUPPORT OF THE STATE  
FOR THE FISCAL YEAR ENDING JUNE 30, 2022 - ARTICLE 1 - SECTION 15 (RI PROMISE)

Dear Chairman Abney:

I am writing in support of Article 1 - Section 15, legislation that would remove the requirement that the Rhode Island Promise Scholarship Program cease with the enrollment of the high school graduating class of 2021 at the Community College of Rhode Island (CCRI).

The Governor's FY22 Budget also recommends removing the sunset of the Rhode Island Promise Scholarship Program. Current law establishes that students graduating in the high school class of 2021 are the last students eligible for the program. The Governor's Budget also recommends a general revenue increase of \$466,974 above the FY21 enacted level for the continued support of the Rhode Island Promise Scholarship Program for recently graduated high school seniors who enroll at CCRI. The total FY22 funding for this scholarship program is \$7.7 million.

Tuition-free college is one of the lowest-cost, highest-impact investments Rhode Island has ever made to help Rhode Islanders succeed. The Rhode Island Promise Scholarship Program has helped many Rhode Islanders by creating a more accessible pathway to achieve a college education. Higher education is essential in driving the State's future. There is no doubt that expanded higher education opportunities will improve the quality of life and earnings potential of Rhode Islanders across their lifespan.

We thank you and the members of the Committee for your favorable consideration of this important legislation.

Sincerely,

Nicole Alexander-Scott, MD, MPH  
Director
